COMMISSIONER OF COMMERCIAL TAXES CIRCULAR No. GST-34/2018-19

Subject: Clarifications on refund related issues– regarding

Various representations have been received seeking clarifications on certain issues relating to refund. In order to clarify these issues and to ensure uniformity in the implementation of the provisions of law across the field formations, in exercise of the powers conferred by section 168 (1) of the Karnataka Goods and Services Tax Act, 2017 (hereinafter referred to as “KGST Act”), hereby clarifies the issues as detailed hereunder:

Sl. No.	Issue	Clarification
1.	Certain registered persons have reversed, through return in FORM GSTR-3B filed for the month of August, 2018 or for a subsequent month, the accumulated input tax credit (ITC) required to be lapsed in terms of notification (20/2018) No. FD 48 CSL 2017 (hereinafter referred to as the “said notification”). Some of these registered persons, who have attempted to claim refund of accumulated ITC on account of inverted tax structure for the same period in which the ITC required to be lapsed in terms of the said notification has been reversed, are not able to claim refund of accumulated ITC to the extent to which they are so eligible. This is because of a validation check on the common portal which prevents the value of input tax credit in Statement 1A of FORM GST RFD-01A from being higher than the amount of ITC availed in FORM GSTR-3B of the relevant period minus the value of ITC reversed in the same period. This results in registered persons being unable to claim the full	a) As a one-time measure to resolve this issue, refund of accumulated ITC on account of inverted tax structure, for the period(s) in which there is reversal of the ITC required to be lapsed in terms of the said notification, is to be claimed under the category “any other” instead of under the category “refund of unutilized ITC on account of accumulation due to inverted tax structure” in FORM GST RFD-01A . It is emphasized that this application for refund should relate to the same tax period in which such reversal has been made. b) The application shall be accompanied by all statements, declarations, undertakings and other documents which are statutorily required to be submitted with a “refund claim of unutilized ITC on account of accumulation due to inverted tax structure”. On receiving the said application, the proper officer shall

After calculating the admissible refund amount, as described above, and scrutinizing the application for completeness and eligibility, if the proper officer is satisfied that the whole or any part of the amount claimed is payable as refund, he shall request the taxpayer, in writing, to debit the said amount from his electronic credit ledger through FORM GST DRC-03. Once the proof of such debit is received by the proper officer, he shall proceed to issue the refund order in FORM GST RFD-06 and the payment advice in FORM GST RFD-05.</p> <p>c) All refund applications for unutilized ITC on account of accumulation due to inverted tax structure for subsequent tax period(s) shall be filed in FORM GST RFD-01A under the category “refund of unutilized ITC on account of accumulation due to inverted tax structure”.</p>

What about those registered persons who are yet to perform this reversal?</p>	<p>It is hereby clarified that all those registered persons required to make the reversal in terms of the said notification and who have not yet done so, may reverse the said amount through FORM GST DRC-03 instead of through FORM GSTR-3B.</p>

After scrutinizing the application for completeness and eligibility, if the proper officer is satisfied that the whole or any part of the amount claimed is payable as refund, he shall request the taxpayer, in writing, to debit the said amount from his electronic credit ledger through FORM GST DRC-03. Accordingly, in several cases, the ITC amounts were re-credited after issuance of deficiency memo. However, it was later represented that the common portal does not allow a taxpayer to file a fresh application for the same period after issuance of a deficiency memo.
