PERSONAL HEARING / PROCEEDINGS HELD ON 07-07-2022

7. Shri Manish Goel, Chartered Accountant and Duly Authorised Representative appeared for personal hearing proceedings held on 07-07-2022 and reiterated the facts narrated in their application.

FINDINGS & DISCUSSION

8. At the outset we would like to make it clear that the provisions of CGST Act, 2017 and the KGST Act, 2017 are in pari-materia and have the same provisions in like matter and differ from each other only on a few specific provisions. Therefore, unless a mention is particularly made to such dissimilar provisions, a reference to the CGST Act would also mean reference to the corresponding similar provisions in the KGST Act.

9. We have considered the submissions made by the applicant in their application for advance ruling. We have also considered the issues involved on which advance ruling is sought by the applicant and the relevant facts along with the arguments made by the applicant and also their submissions made during the time of hearing.

10. The Applicant has been awarded a contract by BWSSB to execute the work of Rehabilitation/Remodeling/Replacement of 400-1000 mm dia sewer line in V-Valley and wants to know the applicable rate of GST on the same.

11. Bangalore Water Supply and Sewerage Board was set up by The Bangalore Water Supply and Sewerage Act 1964 to supply water in Bangalore Metropolitan area and to make adequate provision for the sewerage and disposal of sewage in the Bangalore Metropolitan area.

12. Now we have to find out the applicable GST rate on the work assigned by BWSSB to the Applicant. For this we invite reference of Entry No. iii of Notification No.11/2017-Central Tax (Rate) dated 28.06.2017 further amended vide Notification No. 20/2017-Central Tax (Rate) dated: 22.08.2017 and Notification No. 31/2017-Central Tax (Rate) dated: 13.10.2017 which is as below:

Sl. No	Chapter, Section or Heading	Description of Service	Rate (per cent.)
3	Heading 9954 (Construction services)	<p>(iii) Composite supply of works contract as defined in clause (119)of section 2 of the Central Goods and Services Tax Act, 2017, supplied to the Central Government, State Government, Union territory, a local authority, a Governmental Authority or a Government Entity by way of construction, erection, commissioning, installation, completion, fitting out, repair, maintenance, renovation, or alteration of,-</p> <p>(a) a historical monument, archaeological site or remains of national importance, archaeological excavation, or antiquity specified under the Ancient Monuments and Archaeological Sites and Remains Act, 1958 (24 of 1958);</p> <p>(b) canal, dam or other irrigation works;</p> <p>(c) pipeline, conduit or plant for (i) water supply (ii)water treatment, or (iii) sewerage treatment or disposal</p>	6

Since the Applicant has been awarded a contract work of Rehabilitation/Remodeling/Replacement of sewer line, the same may be covered under entry 3 (iii)(c) mentioned supra. Before deciding on the same we need to find out whether BWSSB is a State Government or local authority or Governmental Authority or Government Entity. If the Applicant is any one of these then only the Entry No.3(iii) of Notification No.11/2017-Central Tax (Rate) dated 28.06.2017 will be applicable to the applicant.

13. Since the BWSSB is a Board set up by The Bangalore Water Supply and Sewerage Act, 1964, the same cannot be considered as State Government. Now let us discuss whether BWSSB is a Local Authority or not. Subsection 69 of section 2 of CGST Act 2017 defines Local Authority as below:

Section 2. Definitions.-

In this Act, unless the context otherwise requires,-

.....
.....

(69) "local authority" means-

(a) a "Panchayat" as defined in clause (d) of article 243 of the Constitution;

(b) a "Municipality" as defined in clause (e) of article 243P of the Constitution;

(c) a Municipal Committee, a Zilla Parishad, a District Board, and any other authority legally entitled to, or entrusted by the Central Government or any State Government with the control or management of a municipal or local fund;

(d) a Cantonment Board as defined in section 3 of the Cantonments Act, 2006 (41 of 2006);

(e) a Regional Council or a District Council constituted under the Sixth Schedule to the Constitution;

(f) a Development Board constituted under article 371 ⁸[and article 371J] of the Constitution; or

(g) a Regional Council constituted under article 371A of the Constitution;

13.1 "Panchayat" is defined in clause (d) of article 243 of the Constitution. Clause (d) of Article 243 of the Indian Constitution reads as below:

243. In this Part, unless the context otherwise requires,—

(a) ".....

(b)

(c)

(d) "Panchayat" means an institution (by whatever name called) of self-government constituted under article 243B, for the rural areas;

Article 243B of the Indian Constitution reads as below:

243B. (1) There shall be constituted in every State, Panchayats at the village, intermediate and district levels in accordance with the provisions of this Part.

As per Clause (d) of Article 243 and Article 243B of Indian Constitution we can say that "Panchayat" is an institution of self-government at the village level.

13.2 "Municipality" is defined in clause (e) of article 243P of the Constitution. Clause (e) of Article 243P of the Indian Constitution reads as below:

243P. In this Part, unless the context otherwise requires,—

(a)

(b)

(c)

(d)

(e) "Municipality" means an institution of self-government constituted under article 243Q;

Article 243Q of the Indian Constitution reads as below:

243Q. (1) There shall be constituted in every State,—

(a) a Nagar Panchayat (by whatever name called) for a transitional area, that is to say, an area in transition from a rural area to an urban area;

(b) a Municipal Council for a smaller urban area; and

(c) a Municipal Corporation for a larger urban area,

in accordance with the provisions of this Part: Provided that a Municipality under this clause may not be constituted in such urban area or part thereof as the Governor may, having regard to the size of the area and the municipal services being provided or proposed to be provided by an industrial establishment in that area and such other factors as he may deem fit, by public notification, specify to be an industrial township

As per Clause (e) of Article 243 and Article 243Q of Indian Constitution, we can say that Municipality is an institution of self-government at transitional area, smaller and larger urban areas.

13.3 From the definitions of Panchayat and Municipalities we can see that both are institutions of self-government in defined areas. Self-Government is the management of local affairs by local Authorities, members of which have been elected by the local people. One of the distinctive attributes and characteristics of Local Authority is that, their members are elected through direct elections by the inhabitants of the defined area. But as per the section 3 of BWSSB Act 1964, all the members of BWSSB are appointed by the State Government.

13.4 BWSSB is also not a Municipal Committee or a Zilla Parishad or a District Board, since it is not vested with the control or management of a municipal or local fund. In view of the above, we can conclude that BWSSB is not Local Authority.

14. Now let us examine whether BWSSB is a Governmental Authority or Government Entity. Notification No.11/2017-Central Tax (Rate), dated: 28.06.2017 as amended vide Notification No.31/2017-Central Tax (Rate), dated: 13.10.2017 defines *Governmental Authority and Government Entity in as below:*

(ix) "Governmental Authority" means an authority or a board or any other body, -

(i) set up by an Act of Parliament or a State Legislature; or

(ii) established by any Government,

with 90 percent. or more participation by way of equity or control, to carry out any function entrusted to a Municipality under article 243W of the Constitution or to a Panchayat under article 243 G of the Constitution.

(x) "Government Entity" means an authority or a board or any other body including a society, trust, corporation,

i) set up by an Act of Parliament or State Legislature; or

ii) established by any Government,

with 90 per cent. or more participation by way of equity or control, to carry out a function entrusted by the Central Government, State Government, Union Territory or a local authority."

14.1 BWSSB was set up by The Bangalore Water Supply and Sewerage Act 1964, to supply water in Bangalore Metropolitan area and to make adequate provision for the sewerage and disposal of sewage in the Bangalore Metropolitan area. These duties performed by BWSSB are covered under the functions entrusted to a Municipality under article 243W of the Constitution that is 5th and 6th entry of 12th schedule of the constitution which are as below:

5. Water supply for domestic, industrial and commercial purposes.

6. Public health, sanitation conservancy and solid waste management.

Since the BWSSB is set up by the Act of State Legislature to carry out function entrusted to a Municipality under article 243W of the Constitution, the same may be considered as Governmental Authority.

15. Since BWSSB is considered as Governmental Authority, the services provided by the Applicant to the BWSSB are covered under the entry 3 (iii)(c)(iii) of Notification No.11/2017-Central Tax (Rate) dated 28.06.2017 as discussed in para 12 supra and hence the same is exigible to GST at 12% till 31.12.2021.

16. Notification No.22/2021-Central Tax (Rate), dated 31.12.2021 was issued in supersession of Notification No.15/2021-Central Tax (Rate), dated 18.11.2021 which brought amendment to No.11/2017-Central Tax (Rate) dated 28.06.2017 as below:

In the said notification, in the TABLE, against serial number 3,-

1) in column (3), in the heading "Description of Service", in items (iii), (vi), (ix) and (x), for the words "Union territory, a local authority, a Governmental Authority or a Government Entity" the words "Union territory or a local authority" shall be substituted;

2) in column (3), in the heading "Description of Service", in item (vii), for the words "Union territory, local authority, a Governmental Authority or a

Government Entity" the words "Union territory or a local authority" shall be substituted;

3) in column (5), in the heading "Condition", the entries against items (iii),(vi),(vii),(ix) and (x), shall be omitted.

In view of the above notification, Entry No. 3(iii) of Notification No.11/2017-Central Tax (Rate) dated 28.06.2017 is amended as below with effect from 01.01.2022:

Sl. No	Chapter, Section or Heading	Description of Service	Rate (per cent.)
3	Heading 9954 (Construction services)	(iii) Composite supply of works contract as defined in clause (119)of section 2 of the Central Goods and Services Tax Act, 2017, supplied to the Central Government, State Government, Union territory or a local authority , by way of construction, erection, commissioning, installation, completion, fitting out, repair, maintenance, renovation, or alteration of,- (a) a historical monument, archaeological site or remains of national importance, archaeological excavation, or antiquity specified under the Ancient Monuments and Archaeological Sites and Remains Act, 1958 (24 of 1958); (b) canal, dam or other irrigation works; (c) pipeline, conduit or plant for (i) water supply (ii)water treatment, or (iii) sewerage treatment or disposal	6

17. As per the above amendment, the services mentioned in entry 3(iii) of Notification No.11/2017-Central Tax (Rate) dated 28.06.2017 are subjected to GST at 12% only if those services are supplied to Central Government, State Government, Union territory or a local authority and not when supplied to Governmental Authority or a Government Entity. Since BWSSB is considered as Governmental Authority, this entry is not applicable to the services supplied by the applicant to the BWSSB with effect from 01.01.2022. Now the services supplied by the Applicant to the BWSSB are covered under entry 3 (xii) of Notification No.11/2017-Central Tax (Rate) dated 28.06.2017, amended vide further notifications, and is exigible to GST at 18% (w.e.f. 01.01.2022). The same is reproduced below:

Sl No	Chapter, Section or Heading	Description of Service	Rate (per cent.)	Condition
3	Heading 9954 (Construction services)	(xii). Construction Services other than (i), (ia), (ib), (ic), (id), (ie), (if), (iii), (iv), (v), (va), (vi), (vii), (viii), (ix), (x) and (xi) above	9	

18. In view of the foregoing, we pass the following

RULING
