STATEMENTS OF OBJECTS AND REASONS**I**

Act 22 of 1957.- At present, different sets of laws on agricultural income tax operate in the integrated areas of the new State, except in the Bombay area, where there is no law on the subject. As there is no uniformity now in the rates of tax levied

and on the procedure followed for the assessment and collection of tax, it has been considered expedient to consolidate and amend the laws regarding the levy of tax on agricultural incomes in the new State of Mysore. Hence this Bill.

2. It is proposed to tax only the commercial crops mentioned in the Bill. The tax will be on the net annual income and not on the gross income. No tax will be levied on income derived from holdings of an extent less than those specified in the Bill. Provision has also been made for composition of the tax by persons having agricultural holdings not exceeding the specified maxima. The annexed statement shows the maximum extent of agricultural holdings which will be exempt from tax and the maxima for purposes of composition, in respect of the classes of crops mentioned therein.

STATEMENT

Class of Land	Names of crops	Maximum acreage exempt from tax	Maximum acreage upto composition will be permitted
I	Ganja and Grapes	2 acres	4 acres
II	Linaloe	3 acres	6 acres
III	Areca, Chillies (irrigated), Potato (irrigated), Mulberry (irrigated), Sugarcane, Ginger, Turmeric, Virginia, Tobacco and Plantain (irrigated).	4 acres	8 acres
IV	Chillies (un-irrigated), Potato, Garlic, Onion, Cotton (irrigated), Cocoanut, Plantain (un-irrigated) and tobacco other than virginia tobacco	10 acres	20 acres
V	Coffee, Tea, Mulberry (un-irrigated), Cardamom, Pepper, Orange and rubber.	15 acres	30 acres
VI	Coriander, Sesamum and Mango	25 acres	100 acres
VII	Groundnut and Cotton	30 acres	100 acres

Hence the Bill.

II

Amending Act 25 of 1962.—In the light of certain decision of the Mysore High Court, it is considered necessary to amend the sections 2(1) (v), 36 and 69 of the Mysore Agricultural Income-Tax Act, 1957. It is also necessary to clarify the provision relating to Hindu undivided families and Aliyasantana and Marumakathayam families referred to in the first proviso to Part I of the Schedule. Hence this Bill.

(Published in the Karnataka Gazette (Extraordinary), Part IV-2A, dated 27th April 1962, as No. 83, p. 5.)

III

Amending Act 31 of 1962.— The State Government are committed to raise a sum of Rs. 42 crores for the Third Five Year Plan by additional taxation. In order to meet the commitments of the schemes in the Second Five Year Plan and Implementation of schemes in the Third Five Year Plan, the resources of the State have to be augmented. The Mysore Resources and Economy Committee have made certain recommendations for this purpose. With reference to levy of agricultural income-tax they have inter alia made the following recommendations:-

(i) all agricultural income and not only income from plantation and selected commercial crops, should be brought within the purview of the Agricultural Income-tax Act;

(ii) the extent-limit for exemption under the Agricultural Income-Tax Act may be done away with, and the whole of Part II of the Schedule to the Act, as well as sections 66 and 67 deleted;

(iii) the rates of tax in Part I of the Schedule may be raised in respect of income of slabs above Rs. 10,000;

(iv) agricultural income of companies should be taxed at the highest rate of 40nP. per rupees;

(v) super tax on agricultural income may be levied at the rates proposed, on the income of persons other than companies, in excess of Rs. 25,000, and on the entire income of companies.

It is proposed to implement with certain variations, the recommendations of the Committee. Hence this Bill. It is proposed to levy agricultural income-tax on all agricultural income and to levy super tax on persons deriving an income of more than Rs. 25,000. As regards the rates of tax, it is considered desirable to enhance the rate, and in respect of companies to levy agricultural income tax at 40nP. per rupee and super tax on income above rupees one lakh. As the scheme of composition provided in section 66 and 67 are intended to help small holders who cannot maintain accounts, it is considered desirable to retain these provisions. The rate of lumpsum payable by way of composition is however proposed to be increased to five rupees per acre of the eighth class of land, and the formula for determining equivalent extents of different classes of land is also proposed to be modified, twenty acres of the eighth class of land being treated as equivalent to one acre of the first class of land.

(Published in the Mysore Gazette (Extraordinary) Part IV- 2A dated 27-8-1962, as No. 7)

IV

Amending Act 29 of 1963.—According to the Mysore Agricultural Income Tax Act, 1957, the appellate and revisional powers against orders of assessing authorities are exercisable by the Departmental officers. As in the Mysore Sales Tax Act, it is considered desirable to entrust the second appellate power to the Appellate Tribunal constituted under the Mysore Sales Tax Act, and divest the Commissioner of appellate and revisional powers, retaining with him only the powers to revise orders prejudicial to the revenue. This will give better facilities to the assesses and some relief to the Commissioner who can devote more time to the proper administration and enforcement of the Act.

Certain assessments made in agricultural income derived from timber have been held to be not permissible under the Act. It is therefore proposed to include 'timber' among the commercial crops with retrospective effect. It is also considered desirable to include castor, karad, mustard and nigar among the commercial crops with effect from the commencement of the present financial year.

In a recent decision of the High Court it has been held that in the case of a firm liable to tax, the amount paid as remuneration to a partner of the firm can be deducted from the agricultural income as expenditure incurred for the purpose of deriving the agricultural income under section 5 of the Act. It is considered necessary to provide that such payments cannot be deducted for purposes of

determining the taxable agricultural income. In another decision, the High Court has held that the expenditure laid out or expended for the cultivation, upkeep or maintenance of immature plants can also be deducted from the agricultural income. It is considered necessary to provide that such deduction is not permissible. Section 5 of the Act is therefore proposed to amended.

It is considered necessary to make it clear that for purposes of giving exemption from tax, amounts paid for a charitable purpose will include payments made to institutions financed wholly or in part by Government or a local authority whether owned by the Government or a local authority or not. The explanation to section 12 is therefore proposed to be amended.

The other amendments proposed are intended to remove difficulties noticed in the working of the Act.

The provisions made in the Bill do not involve any additional expenditure from the Consolidated Fund of the State.

V

Amending Act 28 of 1964.—It is considered necessary to amend section 5 of the Mysore Agricultural Income-Tax Act, 1957, to give effect to the following, namely:—

1. Clause (k) is proposed to be amended on the lines of similar provisions contained in the Income-Tax Act, 1961, giving discretion to the Agricultural Income-Tax Officer to decide whether an expenditure which results directly or indirectly in the provision of any remuneration or benefit or amenity to a Director or to a person who has a substantial interest in the company or to a relative of the Director or such person, as the case may be, is excessive or unreasonable having regard to the needs of the company and the benefits derived by, or accruing to, the company.

2. As it is necessary that expenditure incurred for construction of building for providing amenities for labourers under the Plantations Labour Act, should be considered for purposes of allowing deductions in the calculation of assessable agricultural income, a definition of "building" is proposed to be inserted in Explanation 1.

3. It is considered that a provision should be made in the Act itself to allow deductions of ten per cent of expenditure incurred exclusively on new cultivation of areca or coffee plants or on the maintenance of plants of areca or coffee.

Hence this Bill.

As no expenditure is involved, financial memorandum is not given. There is also no delegated legislation.

(Published in the Karnataka Gazette (Extraordinary), Part IV-2A dated 16th June 1964, as No. 148, p. 4.)

Amending Act 29 of 1976.— Not available

VII

Amending Act 14 of 1983.—The Karnataka Agricultural Income-Tax (Amendment) Act, 1976 came into force on 1st April, 1975. With this amendment, the original scheme contemplated in the Karnataka Agricultural Income-Tax Act, 1957, was modified. According to the provisions that were in force prior to 1st April, 1975, agricultural income-tax was being levied on plantation crops and commercial crops. On account of the amendment in 1976, all agricultural income, irrespective of crops grown became liable to tax and the concept of commercial crop was removed.

In fulfillment of the assurances given by the then Finance Minister on 10th March 1980, in his budget speech for 1980-81 and also confirmed by the then Chief Minister on the floor of the Legislative Assembly and Legislative Council on 31st July 1980 to exempt the income from all dry and non-commercial crops from the levy of agricultural income-tax, a Bill to amend the relevant provisions of the said Act as cleared by the Joint Select Committee was presented in the Legislative Assembly on 29th March 1982.

Meanwhile, the recommendations of the Karnataka Taxation Review Committee (1981) headed by Professor I. S. Gulati were received. The Committee suggested confining agricultural income-tax only to plantation crops. Accordingly, Government decided to grant further relief to the agricultural community by exempting agricultural income-tax on all incomes from agricultural crops other than plantation crops, effective from 1st April, 1982 (i.e., from the assessment year 1982-83).

The major provisions of the Bill are—

(a) Clause 3.—Definition of 'agricultural income' is amended to mean income derived from land growing plantation crops;

(b) Clause 4.—The exemption limit of the taxable income has been raised from Rs. 8,000 to Rs. 14,000.

Provision is made not to exclude the wealth tax paid in computing the agricultural income.

(c) Clause 9.—Power is given to the State Government to exempt, remit or reduce, whether prospectively or retrospectively, the tax payable under this Act or the lumpsum referred to in sub-section (1) of section 67;

(d) Clause 12.—Provision is made enabling the filing of returns within four months after the expiry of the previous year instead of before the First June.

(e) Clause 13.—Provision is made for fixing the liability for payment of tax due from dissolved or discontinued firms on the partners or their legal representatives.

(f) Clause 14.—The Deputy Commissioners of Commercial Taxes have been vested with powers to revise the orders to the Agricultural Income Tax Officers in so far as they are prejudicial to the interest of the revenue.

(g) Clause 25.—It is provided that any person authorized to practice under clause (c) of section 36 of Karnataka Sales Tax Act, 1957 (Karnataka Act 25 of 1957), can practice under this Act.

The other amendments are clarificatory or incidental in nature.

Hence the Bill.

(Published in the Karnataka Gazette (Extraordinary), Part IV-2A, dated 29th March 1983, as No. 202, p. 15.)

VIII

Amending Act 23 of 1985.—The Government had appointed a Committee under the Chairmanship of Sri B. A. Jivijaya, Hon'ble Minister of State for Forest to study the problems and demands arisen from the existing levy of agricultural income tax on income from plantation crops. The said Committee has submitted its report. The Government after examining the said report has agreed with certain recommendations of the said Committee.

To give effect to the aforesaid recommendations of the Committee certain remissions are proposed. Hence the Bill.

(Published in the Karnataka Gazette (Extraordinary), Part IV-2A, dated 1st August, 1985, as No. 413, p. 1.)

IX

Amending Act 11 of 1986.—Section 66 of the Karnataka Agricultural Income Tax provides for composition of agricultural income tax by persons who hold less than twenty five acres of land under plantation crop the whole of which is used exclusively for growing coffee. It is proposed to give the benefit of composition to lands in which in addition to Coffee, Banana, Coconut, Cardamom, Pepper and Orange are also grown by interplanting.

Hence this Bill.

(Published in the Karnataka Gazette (Extraordinary), Part IV-2A, dated 14th March, 1986, as No. 197, p. 3.)

X

Amending Act 38 of 1986.—The amendments proposed are mainly for plugging the loopholes in the Karnataka Agricultural Income Tax Act, 1957 and to bring this Act in line with the provisions of Income Tax Act, 1961 and the Karnataka Sales Tax Act, 1957 in respect of certain sections.

(Published in the Karnataka Gazette (Extraordinary), Part IV-2A dated 29th August, 1986, as No. 660, p. 11.)

XI

Amending Act 10 of 1987.—To give effect to the proposals made in the Budget Speech, it is proposed to amend the Karnataka Agricultural Income Tax Act, 1957.

Hence the Bill.

(Published in the Karnataka Gazette (Extraordinary), Part IV-2A, dated 27th August, 1987, as No. 245, p. 9.)

XII

Amending Act 16 of 1988.—Many of the provisions of the Karnataka Agricultural Income-tax Act, 1957 are *pari-materia* with the provisions of the Income-tax Act, 1961. By the Direct Tax Laws (Amendment) Act, 1987 (Act No. 4 of 1988), many of the provisions of the Income-Tax Act, 1961 have been amended. One of the amended provisions relate to the definition of "Previous year". The main objective of this Bill is to give the same meaning to the word "Previous year" as defined in the Direct Tax Laws (Amendment) Act, 1987.

Hence the Bill.

(Published in the Karnataka Gazette (Extraordinary), Part IV-2A, dated 27th August, 1987, as No. 245, p. 9.)

XIII

(1) Section 2 is proposed to be amended to exclude pepper and cardamom grown as subsidiary crops in the land used for growing non-plantation crops like arecanut and coconut.

(2) Section 12 is proposed to be amended to exempt certain contributions made from the payment of agricultural income tax.

(3) Section 32 is proposed to be amended to provide for appeals to the Deputy Commissioner (Appeals) against certain orders passed by the Agricultural Income Tax Officers.

(Published in the Karnataka Gazette (Extraordinary), Part IV-2A, dated 21st March, 1991, as No. 129, p. 35.)

XVII

Amending Act 5 of 1993.—Consequent to the re-designation of posts in the Commercial Tax Department, it has become necessary to make suitable amendments in the relevant Taxation Laws.

The full bench of our High Court in Shah Wallace case while overruling a Division Bench judgement of our High Court in Janardhanacharya's case had held that the notifications issued under section 8A of the Karnataka Sales Tax Act, 1957 become inoperative when the relevant provisions of the Act are subsequently amended by way of insertion of any entry relating to the class of goods to which exemptions were given by the notifications. Therefore, it was considered necessary to suitably amend the said Act, to save the notifications already issued.

As the matter was urgent and both the Houses were not in session, the amendments were carried-out by promulgation of the Karnataka Taxation Laws (Amendment) Ordinance, 1992.

This Bill seeks to replace the above Ordinance.
