required bid security has been furnished, whether the documents have been properly signed, and whether the bids are generally in order.

The Pre-qualification bid documentation furnished by the Bidder shall be examined prima facie to see if the technical skill base and financial capacity, experience in executing similar projects and other Bidder attributes claimed there-in are consistent with the requirements of this RFP.

CTD may ask Bidder(s) for additional information, visit to Bidder's site and/or arrange discussions with their professional, technical faculties to verify claims made in Pre-qualification bid documentation.

During the evaluation of bids, CTD may at its discretion ask the bidder for a clarification of its bid. The request for clarification shall be in writing and no change in process or substance of the tender shall be sought.

- (c). Any Bid submitted without proper authorization shall be treated as non-responsive.
- (d). A bid determined as not substantially responsive will be rejected by CTD and may not subsequently be made responsive by the bidder by correction of the non-conformity.

Financial / Commercial Evaluation:

Commercial bids of those Bidders who are technically qualified in the pre-qualification cum technical evaluation will only be opened. All other commercial bids will not be opened.

The financial evaluation shall be done based on the details submitted by the bidder as per the format.

The bidder who has quoted Minimum Amount will be L1. Negotiations with L1 to reduce the bid amount may be done by the CTD.

2) Correction of errors

Bidders are advised to exercise greatest care in entering the pricing figures. No excuse that mistakes have been made or requests for prices to be corrected will be entertained after the quotations are opened. All corrections, if any, should be initialed by the person signing the bid form before submission, failing which the figures for such items may not be considered.

Arithmetic errors in bids will be corrected as follows:

Where there is a discrepancy between the amounts in figures and in words, the amount in words shall be considered. The amount stated in the bid form, adjusted in accordance with the above procedure, shall be considered as binding, unless it causes the overall bid price to rise, in which case the original bid price shall be considered.

3) Disqualification of Bid

The bid is liable to be disqualified in the following cases:

- (a) The Bid not submitted in accordance with this document.
- (b) During validity of the bid, or its extended period, if any, the Bidder increases his quoted prices.

- (c) The Bidder qualifies the bid with his own conditions.
- (d) Bid received in incomplete form.
- (e) Bid received after due date and time.
- (f) Bid not accompanied by all requisite documents
- (g) Submission of Commercial Bid Value with the Pre-qualification cum Technical Bid

4) Period of Validity of Bids

The bids shall be valid for a period 6 months, for any unforeseen delay in evaluation and award of contract to the successful Bidder, from the closing date for submission of the bid. A Bid valid for a shorter period may be rejected as non-responsive. On completion of the validity period, unless the Bidder withdraws his bid in writing, it will be deemed to be valid until such time that the Bidder formally (in writing) withdraws his bid.

In exceptional circumstances, at its discretion, the CTD may solicit the Bidder's consent to an extension of the period of validity (not more than 12 months). The request and the responses thereto shall be made in writing or by fax or email.

5) Format and Signing of Bid

The Bidder must organize the bid in accordance with the format specified in the RFP. All proposals must be signed with the bidder's name and by a representative of the bidder, who is authorized to commit the bidder to contractual obligations. All obligations committed by such signatories must be fulfilled.

6) Content and Form of Responses

This Section aims to facilitate the bidders in preparation of a proper response in a uniform manner thereby helping in the evaluation process. Bidders shall submit their response as per the directions mentioned in this section. Failure in doing so may result in the bid being eliminated at the examination stage as unresponsive.
